

Jim Shea Shoots a Hole in One

On October 8, 2014 at the Orchards Golf Course, at 11:13 am in the presence of Joe Razzaia, Jim Killeen and Ed Doran, [on the sixth hole](#) Jim Shea hit a nice straight shot that hit the front of the green, rolled forward about ten feet, broke a little to the right and disappeared into the cup! It was a **HOLE IN ONE** and Jim's first ever.

Jim commented, "I never thought I'd get one"!

Believe me, it was a thrill just to witness it. Congratulations, Jim!!
